\*\*\* Prices include 100mm thick concrete, piers, 20mpa concrete, F72 mesh, chairs, plastic and excavation work. Concrete pricing is worked out at \$80.00/ sq. meter and all prices are pending a site inspection Minimum concrete charge is \$2,880 pending site inspection Concrete pump \$650 (if required - will be confirmed onsite inspection) Any site with no access for a concrete truck will incur extra labour hire or a concrete pump. If there is no access for a backhoe or other excavation equipment the price for service will have to be quoted onsite. This list is a recommendation only, Best Sheds Pty Ltd are licenced only to supply steel buildings. For construction/concrete please seek the services of a licensed builder.

NB: Builders will travel outside of their specified locations – please call them direct to discuss. Build and concrete prices listed are a guide only. Prices can vary due to a number of reasons such as the site and extras added to your kit.
